Yonkers. The former withdrew his name, when Mr. Waring was nominated by acclamation.

The Convention then proceeded to nominate a School Commissioner for the District. The names of Theodore Kent of West Farms (the present incumbent), Wm. Miller of East Chester, and James J. Gerten of Westchester were proposed. On the third ballot Mr. Miller received 30 votes, when, on motion, he was declared the unanimous choice of the Convention.

Local Politics.

UNION COUNTY CONVENTION.—The Union County Convention met last night at the corner of Broadway and Twenty-third street, in accordance with the call of the Union Central Committee. Elliot C. Cowdin was unanimously chosen as chairman, and J. G. Abbe and Philip Jordan elected secretaries.

The secretaries having examined the credentials, the chairman announced that full delegations were present from the various wards, and as there were no contestants present, the Convention was ready to proceed to business.

Mr. Walker moved that the Convention proceed to nominate a candidate for Supervisor, which Mr. Lambie amended by a motion to nominate a Surrogate, in accordance with the call of the Union Central Committee. On motion, the roll was called, and the chairman moved that the amendment was carried. The Convention then voted to nominate a Surrogate, various members having first nominated as candidates, Wm. H. Milligan, Gabriel Van Cott, Isaac Dayton, David R. Jaques, Clark B. Wheeler, and Guy R. Pelton.

Mr. Spencer said that Mr. Jaques was not a candidate for Surrogate, and that while up he would take occasion to say a word in favor of Mr. Dayton, whose work on Practice in Surrogate's Courts was extensively used, and who had no superior in his knowledge of that Court.

An informal ballot was then taken, when Mr. Milligan received 8 votes, Mr. Van Cott, 49; Mr. Dayton, 40; Mr. Jaques, 8; Mr. Wheeler, 1; and Mr. Pelton, 2.

A formal ballot was then taken, when Mr. Van Cott received 51 votes, and Mr. Dayton 57 votes.

The Chairman announced Mr. Dayton as the choice of the Convention for Surrogate, and on motion the vote was made unanimous.

The Convention proceeded to a nomination for Register, Messrs. John Keyser, Wm. H. McKinney and James M. Thompson, 37 votes.

The Chairman declared Mr. Keyser as the candidate of the Convention, and on motion the vote was made unanimous.

Mr. Spencer having announced that a delegation was present from the Republican German Central Committee, moved that they be invited to honorary seats in the Convention, which was carried, and Mr. S. was appointed a Committee to conduct the delegation to their seats. Upon their arrival the delegation were seated, when Gustavus Levy briefly addressed the Convention, and presented a communication from the German Republican Central Committee earnestly recommending to the Union County Convention Mr. Andreas Wilmann as a candidate for Supervisor. In concluding his remarks, he stated Mr. Wilmann would be acceptable to the entire German population.

The following candidates were then named:

Henry Keyser, H. H. Mulligan, Andrew Williamson, Stephen Kirby, Isaac J. Oliver, Mr. Grabskiene.

After an informal ballot, in which there was no choice, the names of Messrs. Oliver, Kirby, Leask, Elery, Miller and Kelly were withdrawn, when a formal ballot was taken, with the following result: Henry Smith, 38 votes;

Andrew Williamson, 25 votes; Simon Hazleton, 8 votes.

The nomination of Mr. Smith, who was named by Wm. A. Smiley, as the Superintendent, was then made unanimous, and was so decided by the Chairman.

Stephen Stewart then moved that Charles S. Spencer be the candidate for Recorder.

Mr. Spencer, obtaining the floor, said:

Mr. CHAIRMAN: I am grateful to my friend for his courtesy in moving that I be the candidate of this Convention for Recorder. An ordinary convention I would probably accept the nomination; but Sir, I believe that the public and the country at large will prefer to have in their nominations good men who should look toward justice and peace in nomination men who have proved themselves in time of trial worthy to wear the orange. Such a man—eminently such a man—is the present Recorder of this city. (Applause.) He has passed a fearful ordeal, and he has passed it well. Every man who saw in July last the heaven above our city red with the reflection of incendiary bombs, who saw the smoke of burning houses that dominated the city, has reason always to admire the fearless firmness, the judicious capacity, the inflexible honesty of Dr. T. H. Hoffman. He is a polished gentleman, a ripe scholar, and a profound jurist. I move he be nominated by acclamation.

Amid great cheers, Asst. Mr. Hoffman received the unanimous nomination for Recorder, when the Convention adjourned.

At the adjournment of Mr. Smith, the candidate for Supervisor, the members of the Convention were invited to a reception at Keeler's Hotel, where speeches were made by Mr. Cowdin, Mr. Spencer, Mr. Thompson, Mr. Lambie and others.

THE INDEPENDENT UNION COUNTY CONVENTION.—The Independent Union County Convention met at their Headquarters, No. 630 Broadway, last evening, to nominate County Officers. Every Ward in the city was represented. Isaac J. Oliver was elected temporary Chairman and Mr. Rockwell was appointed temporary Secretary. The Wards were then called, and the delegates presented their credentials. There being a double set of delegates from the Twenty-first Ward, a committee was appointed to investigate the credentials and decide on the merits of the case. When this question was decided by the acceptance of the delegation headed by Chas Gould, Robert Beatty was appointed permanent Chairman, and Messrs. Pollock and Coe were elected Secretaries, after which the names of the delegates were called, an informal ballot was taken, giving the highest number of votes. Mr. Oliver immediately withdrew his name in favor of Mr. Williamson. At this point of the proceedings a motion was made to adjourn until next Monday evening, which was lost. A motion to appoint a Committee of Conference was also lost after considerable discussion. The roll was then called, and Andrew Williamson was nominated for Supervisor. Three cheers were given for the new Supervisor, and the Convention adjourned.

At the adjournment of Mr. Smith, the candidate for Supervisor, the members of the Convention were invited to a reception at Keeler's Hotel, where speeches were made by Mr. Cowdin, Mr. Spencer, Mr. Thompson, Mr. Lambie and others.

HEAVY BURGLARY OF SILK GOODS IN BROADWAY.—The employees of Mr. George Blane & Co., No. 360 Broadway, on opening their store on Monday morning, discovered that it had been entered by burglars, and silk goods to the amount of \$4,500 abstracted. A formal complaint was filed against the犯人.

TRUSSES.—MARSH & CO.'S RADICAL CLOTHES.—Marsh & Co., 105 Broadway, Astor Place, N. Y. A. Smith, John B. Ryerson, Louis Naumann, Robert Beatty, O. M. Miller, J. B. Pollock, and G. E. Conchard, the Convention nominated James M. Thompson for Register. A Committee of eleven was appointed by the Chair to confer with other Union organizations to secure, if possible, but one Union ticket. The following gentlemen were appointed members of that Committee: Isaac J. Oliver, W. E. Rockwell, E. Robinson, O. Blunt, H. A. Smith, John B. Ryerson, Louis Naumann, Robert Beatty, O. M. Miller, J. B. Pollock, and G. E. Conchard. The Convention then adjourned to meet again next Monday evening.

DWENTWENT WARD.—The Union Association of this Ward held a ratification meeting last evening, in the hall of the corner of Broadway and Forty-seventh street, N. T. Taylor, esq. was called to the chair, and E. W. Whipple, esq. was chosen Secretary. Mr. Francis J. Lambert, the young Irish orator, who had just returned from a lecturing tour in Pennsylvania, gave an encouraging account of the Union prospects there; reviewed some of the popular objections to the course of the Unionists, and spoke with great energy and interest for the propagation of all loyal men in sustaining the Government. Mr. Wm. H. Burleigh followed in an argumentative speech, in which the issues of the present contest were sharply defined, and the responsibility of protracting the war, exciting riots in our cities, and giving aid and comfort to Rebeldom, was brought home to the Copperhead Democracy. The intervals of speaking were filled with music from an excellent band. The meeting was a decided success.

TROUBLE IN MOZART.—A call signed by Sheriff Lynch, Matt. Gossender, Pat Flynn, and other members of Mozart, has been issued for a meeting "to take such action as may be deemed necessary in regard to the nominations made in the ensuing election by the close corporation now existing (*à la Saxe*), by which the members of the General Committee, as a body, and the National Democratic party, as well as the conservative Union men of the city and county, are to have no voice nor even to be consulted in reference to the ability, proclivities, merit, or standing of the said nominees with the National Democracy and conservative Union men of the City and County of New York."

MCKEON DEMOCRATIC COUNTY CONVENTION.—This Convention met at the Sinclair House, corner of Broadway and Eighth street, at 8 o'clock last evening, for the purpose of making nominations for County officers. On motion of Ex. Adm. McKeon of the Ninth Ward, Philip W. Eads was elected Chairman, and Messrs. John H. Whitmore and John Byrne chosen as Secretaries. The examination of credentials was then proceeded with, though with some little trouble. On account of the presence of a large number of persons who had been ejected from the Convention, the room was ordered to be cleared. The place of election of nominations were then made unanimously. For Justice of the Supreme Court—Josiah Sutherland, present in command. For Justice of the Superior Court—Joseph B. Worth, present in command, and Richard O'Gorman. For Justice of the Court of Common Pleas—Herman Hiltz, present in command. For Justice of the Marine Court—Florence McCarthy, present in command. For Surrogate—Gideon J. Thaxter, present in command. For

Recorder—Theodore E. Tomlinson. After the choice of the above candidates, a committee was appointed to wait upon them and inform them of their nomination. The Convention then adjourned.

A Card.

To the Editor of The N. Y. Tribune.

SIR: I learn for the first time from your journal of this morning that my name is used by some of my friends as a candidate for the State Legislature. Will you permit me to state that, while I appreciate very highly this mark of their confidence, I could not accept such a nomination if it should be tendered to me. I trust it is unnecessary for me to add that I shall very cordially support any candidate whom the Union men of the district may select, without regard to divisions which overzealous or mischievous partisans may seek to create.

Your obedient servant,

HENRY J. RAYMOND.

New York, Oct. 12, 1863.

WESTCHESTER.—George A. Brandreth was unanimously nominated for Member of Assembly by the Union Convention, held at Croton Dam on Saturday, in the Third Assembly District, Westchester County.

UNION LEGISLATIVE NOMINATIONS.—Assembly—Franklin, Albert Audrus; Fulton and Hamilton, William A. Smith.

WEST VIRGINIA.—By a typographical blunder, the Hon. WILLIAM G. BROWN, was announced in our Monday morning's edition as a candidate for Congress from the Third District. It should have been the Hd.

HENRY MORRISON.—We do not know who Henry Morrison is, and never heard of him till informed by letter from St. Louis that a man under that name is passing himself off extensively in the West as a correspondent of this paper. No person of that name is, or ever was, connected with THE TRIBUNE.

HONORS TO OUR RUSSIAN GUESTS.—During the present week, Admiral Lessovsky and the other officers of the Russian fleet will be the recipients of special honors. To-day will visit the public institutions, by invitation of the Commissioners of Charities and Corrections. The Foreign Ministers and many distinguished officers and citizens have also been honored. The arrangements for the day indicate that the visit will be a particularly pleasant and agreeable one to all concerned. The guests will be received on board a steamer at the large office at Whitehall at 8 o'clock, and at Bellevue Hospital at 10 o'clock by President Simon Draper, and by Messrs. Nicholson, Bell and Grinnell, the other members of the Commission, and thence will proceed to Randall's Island, where the city's children, including the Randall's Island Guard will welcome the distinguished visitors. The House of Refuge on the same island, will next be visited, when the company will proceed to Blackwell's Island, and visit the Lunatic Asylum, the Work House, the Alms House, and the Penitentiary. At the residence of the Warden of the Penitentiary the company will dine. Mr. Draper will preside, and it is expected that some excellent speeches will be made. From Blackwell's Island the guests will return to the city. In a day or two the Admiral, with a few of his officers, will make an excursion to Niagara Falls, over the Central Railroad, at the invitation of a resident of Albany. Arrangements on an extensive scale are in progress for the banquet to be given to the Admiral by the corporate authorities, and it will doubtless be a brilliant affair.

The following candidates were then named:

Henry Keyser, H. H. Mulligan, Andrew Williamson, Stephen Kirby, Isaac J. Oliver, Mr. Grabskiene.

After an informal ballot, in which there was no choice, the names of Messrs. Oliver, Kirby, Leask, Elery, Miller and Kelly were withdrawn, when a formal ballot was taken, with the following result: Henry Smith, 38 votes;

Andrew Williamson, 25 votes; Simon Hazleton, 8 votes.

The nomination of Mr. Smith, who was named by Wm. A. Smiley, as the Superintendent, was then made unanimous, and was so decided by the Chairman.

Stephen Stewart then moved that Charles S. Spencer be the candidate for Recorder.

Mr. Spencer, obtaining the floor, said:

Amid great cheers, Asst. Mr. Hoffman received the unanimous nomination for Recorder, when the Convention adjourned.
